During this coming week, most of us will gather around the table with family, friends, and more food than we need; and we will give thanks to our Father. I love the Thanksgiving holiday and the traditions that go with it. But as a child of God, we must remember to live each day with that same attitude of gratefulness. One of the joys of working with kids is that I often get to hear the prayers of a small child. On occasion, those prayers will go on and on. If you take a peak, you might observe that child with open eyes scanning the room, thanking God for everything they see. It can lead to some interesting prayers! That simple, innocent prayer of a child can teach adults so much. Each day we are surrounded by God's wonderful blessings. We just need to open our eyes, look around, and give thanks to God.

Because of the wonderful blessings we have, it is only fitting that we turn those blessings outward towards others. The Christmas season is the perfect time to do just that. There are several opportunities at Pleasant Ridge where you can bless the lives of others in ways that are easy to do, but have a huge impact. If you can give blood, be a part of the blood drive on December 4. Supporting the children of Christ's Haven has been a longtime tradition at PR. This year the needs are a little different, but your help is still needed. Check inside PR Today to see how you can help. Each year the PR 3rd-6th graders assemble gift bags for our senior members. They need your help with donations to go inside the bags. Check inside the bulletin for specific items needed. If your family is looking for a special way to serve, this year we are partnering with a local organization to make homemade Christmas cards signed by children to give to residents in local nursing homes. These cards will be given, along with a small gift, to seniors who do not have any one to visit them during the holidays. The number of senior adults who will spend Christmas alone is staggering. Our goal is to create at least 250 cards to donate. If you want to help, simply create a homemade Christmas card with your kids, have them sign it, and put it in the basket at PR Central in the Atrium. If you don't have kids, just make the cards and we can provide the kids' signatures in our classes!
