Right out of the gate, 2020 promises to be a busy year for our church family.

Elder Selection & Reaffirmation

Next week, we will begin a sermon series concerning the selection of men to serve as elders. Ballots will also be provided soon in order to solicit nominations of new elder candidates. The elder ordination service is planned for Sunday, April 5. We invite you to prayerfully consider the men who will lead us in the coming years.

Capital Improvements & Strategic Planning

Over the last several years, we have made many updates and improvements to our building. The largest and most impactful being the Auditorium. More is planned for 2020. Additionally, we are contracting with companies specializing in church remodeling and design specifically to meet strategic goals. As you know, our strategic goals include making newcomers feel welcome and targeting the attraction of families with children and students. We will make our final debt payment in February and plan to use the money that will be freed up towards implementing our new strategic goal design plans.

Ministry Fair

On Sunday, February 16, we will have our annual ministry fair during our Bible class hour. It’s a great chance for ministry leaders to highlight the exciting and fulfilling opportunities they have to offer. And it will be a perfect chance for you to sign up to serve.
