#### **CHILDREN'S MINISTRY INTERNS**

What a privilege it has been to work alongside Miranda Kelley and Avery Underwood this summer. There is something really special about watching our PR youth grow up to be true servants. These two young women have done exactly that, and they are true servants. One came to me with a passion for VBS and the other with a passion for Camp HB and both with a passion for our kids. Their love for our kids was evident in the way they interacted with them, taught classes, and led them in various activities. They were dedicated, determined, hard-working and willing to do whatever was asked of them always going beyond what was expected. It has been a blessing to have them as my partners in ministry this summer. Because they are our own, we don't have to say "goodbye" simply "see you later".

#### KINDERGARTEN BLESSING

SUNDAY, August 12, will be the day we celebrate the children entering kindergarten. On that day parents of children in our four-year-old class are invited to join us during the Bible class hour for a brunch honoring your family. A special presentation to the soon-tobe kindergartners will be made.

#### **PROMOTION SUNDAY**

Children's classes from two-year-olds through 5th grade will promote to their new classroom on Sunday, August 26.

## A NOTE FROM BRANDON

To quote the great Ron Swanson, "There's only one thing I hate more than lying: skim milk. Which is water that's lying about being milk." I've got to be honest with you, I have served in ministry over the summer in some form or fashion for the past 10 years. From being a counselor all summer at a Christian camp to being a full time minister, over 1/3 of my summers have been dedicated to serving young people. Some summers have been really great and others have been a struggle, but this summer working with the students and their families here at Pleasant Ridge has been the best summer I have ever had!

I could spend days writing about how I saw God work through our young people, how selfless they served others, how they showed compassion for complete strangers, or how they committed or recommitted their lives to Jesus. God was at work! HE gets all the credit and glory! I'm richly blessed to be on this adventure with all of you!

As I mentioned, God has richly blessed our summer. In my mind, one of the blessings that stands out the most is God's gift of our two interns: Ethan and Valerie. The countless hours of hard work they put into their job, the love they poured out on our students, how loud they made the office, and so so much more!

Ethan, Valerie, I cherish each of you very much. I consider both of you some of my best friends. Thank you for your service to this church, our students and their families, but most of all to your Lord! You have a home here at PR, you're welcome back anytime! We love you!
